Capsugel®

Naturally Unique

Plantcaps[®] capsules

4 out of 5 consumers seek for convenient, sustainable, 'plant-based' dosage forms

Source: NMI SORD, 2019

Enhances consumer experience

- Made from pullulan, obtained via natural fermentation of tapioca
- An easy to swallow, taste and odor neutral dosage form with masking capabilities
- Attractive, high luster appearance
- Meets free-from and vegan preferences and supports religious dietary requirements

Elevates product performance

- Safe, plant-based, non GMO, free-from, clean label and sustainable dosage form
- Manufactured according to pharmaceutical standards
- High gelatin-like performance for immediate release applications
- Highly stable and non-reactive capsule shell for ingredient protection

Differentiates your offering

- Can be used to deliver a wide range of ingredients
- Low brittleness capsules that use a unique patented formulation suitable for manual, semi-automatic and high-speed capsule filling equipment
- Globally available, with access to Capsugel® customer support worldwide
